

# Welcome to Bostadsrättsföreningen Kantarellen

The Board of Bostadsrättsföreningen (BRF) Kantarellen warmly welcomes you as a new member. We hope and believe that you will enjoy living here.

BRF Kantarellen comprises 78 flats in 10 buildings that were built in 2007 – 2008. Swedish property areas have names, and this area is called Lerkrukan 1, which means Clay pot 1. All the buildings are located on Kvarnskogsvägen, which is a private road with no through traffic.

Kvarnskogen is near a wooded area, with the recreational areas Rösjön and Edsviken within walking distance. Edsberg Centrum with various shops is also nearby. Several nurseries/preschools and schools are in the vicinity.

We recommend that all new members read about BRF Kantarellen at [www.brkantarellen.se](http://www.brkantarellen.se), where we hope you will find useful information.

If you have additional queries, please feel free to contact any member of the Board via email or by telephone. Contact information for the Board members and the caretaker of the buildings is posted on the notice board in each building.

Welcome!
